

What do we know?

What information do we have?

What else do we need to know?

Where can we get the information from?

What do we need to do

What key tasks do we need to do?

Who do we need to tell?

Who needs to be told about what we are doing?

What resources do we have?

Where are they located? How do we get them?

What resources do we need?

Where can we get them? Who can get them?
